Get the Skills to Become a Law Enforcement Professional!

For those who are drawn to a fast-paced, exciting, and challenging career in Law Enforcement, Beal University is here to prepare you for success. The Law Enforcement profession looks promising as job openings are expected to rise in the coming years according to the Bureau of Labor Statistics. Whether you're new to Law Enforcement or you're a current Criminal Justice professional looking to advance your skills, Beal University is here to help you succeed.

Your Future in Criminal Justice

The Law Enforcement program is designed to prepare you for various careers in the criminal justice system. As a student, you'll get hands-on training to prepare you for real-world situations that you may face if you go on to become a Law Enforcement Professional.

During the program, you'll receive 'use of force' training with a lifelike simulator and practice traffic and high risk stops with police cruisers – all to prepare you for police academy training and more. Upon graduation, you'll be fully prepared to confront the social, ethical, and legal issues officers are faced with.
