2

### Our Reputation

For more than 125 years, we've been training students for new careers while providing our partners with well trained professionals!

3

### Enroll Today

Financial Aid and Veteran's benefits available for those who qualify; Limited class size – contact us today at 207.307.3900.

### Job Outlook

Employment of healthcare occupations is projected to grow 14 percent from 2018 to 2028, much faster than the average for all occupations, adding about 1.9 million new jobs. Healthcare occupations are projected to add more jobs than any of the other occupational groups. This projected growth is mainly due to an aging population, leading to greater demand for healthcare services.
