

**BEAL UNIVERSITY COST OF ATTENDANCE  
ACADEMIC YEAR 2023-2024**

Beal University's cost of attendance is based on Tuition costs, Books, Registration Fee, Health Insurance and certification exam fees for the academic year. Personal expenses are estimated based on the institution's region from the Economic Policy Institute Policy (EPI) for the academic year for each program. The Basic Family Budget Calculator from the Economic Policy Institute (EPI) provides estimates of costs by state, city, metropolitan or rural area. Room & Board, Transportation and Personal Expenses includes costs such as supplies, childcare, clothing, toiletries, and other miscellaneous expenses. The cost of attendance and budget information is used for PELL COA and Direct Loan Programs. Academic Year for Cost of Attendance is based on eight months. Estimated fees include a \$30 Application Fee; \$130 program specific exam fee for all Diploma in Medical Assisting and Associates in Medical Assistant students; \$275 program specific entrance or certification exam fee for all Associates in Health Information Technology students; and a \$25 per credit hour Technology fee for all programs. The Technology fee will be billed based on credits enrolled for the semester.
