All health information technology, A.A.S. and health information management, B.S. degree students must obtain VLab subscription code from the program director.

***ATTENTION STUDENTS:** Certain classes require a Code so if you see a **W/** on the title line of your course that course is requiring a mandatory digital code which is an eBook and homework. If wishing to purchase codes out of pocket, you will be able to purchase them when you log into your classes or you can go to the Publisher's website and put in the ISBN that is posted for that course. The ISBN's will lead you directly to the appropriate format on the publisher's website. You will need to scroll down to see Connect on McGraw Hill's website, again please make sure you get the digital copy. The bookstore will have Codes/Books available unless otherwise stated. If you would like to purchase physical copies to go along with the mandatory codes, copy and paste title and edition in preferred book buying sites making sure all information is the same as on the booklist minus the ISBN as that is for the codes only. Please make sure you read the title line to see what format your Instructor is using which is in bold letters to get the correct course material before you purchase! If you have any questions at all, please reach out to the bookstore by emailing **vnewell@beal.edu**
